

# Scholarships for talented students from abroad (year 2024)

**„Want to study abroad? Come to Slovakia – a safe country with great potential to make a career!“**

The Ministry of Education, Research, Development and Youth of the Slovak Republic has launched a scholarship scheme for the most talented applicants for higher education from abroad. The scholarship is intended for 100 talented foreign students who are interested in studying at a higher education institution based in the Slovak Republic in full-time bachelor's degree study programmes or a full-time joint bachelor's and master's degree study programme. The scholarship is open to applicants from all over the world. The successful applicant will be entitled to a scholarship of € 4 000 per academic year, i.e. a total of € 12 000 for the first three years of higher education in bachelor's degree study programmes or joint bachelor's and master's degree study programmes. The application for the scholarship must be submitted by 30 June 2024 (23:59 CET) at the latest. The criterion for selection will be the results in the SAT test. The scholarship scheme is implemented under Investment 3 of Component 10 of the Recovery and Resilience Plan of the Slovak Republic. The website through which to apply for the scholarship and where you can get more information on the scholarships for talented students from abroad: <https://scholarships.portalvs.sk/>.

## Benefits of being a scholarship holder:

- \* Getting tuition fees waived if you become the scholarship holder, enrol and enter to a full-time study programme to a public higher education institution.
- \* Getting a public health insurance after you ask for it.
- \* Financial background coming from the scholarship which can support your dreams.
- \* Possibility of participation in Erasmus+ or other academic mobility if interested.
