

**General Collaboration Agreement  
between the Academy of Music, Theatre and Fine Arts, Republic of Moldova, and  
Yerevan Komitas State Conservatory**

This general a collaboration agreement between the **Academy of Music, Theatre and Fine Arts**, Republic of Moldova, represented by its present Rector Victoria Melnic, on one hand, and **Yerevan Komitas State Conservatory**, represented by its present Rector Shahen Shahinyan, on the other hand.

The aim of the cooperation is the realization of mutually initiated programs/projects, that are useful for the educational and creative process development, as well as for the efficient capacity building within the institutions, for creativity and cultural development support in our countries.

Considering financial conditions of each party the agreement is realized in the frame of the following items and programs:

1. students, teachers and managerial staff mobility;
2. common scientific and research programs;
3. participation in seminars, conferences, academic meetings;
4. short-term research programs;
5. creative and educational co-projects realization based on bilateral, European Union and CIS programs.

Financial conditions for each program are mutually discussed and approved by the both parties before its realization.

Both institutions are ready to consider additional proposals for mutual cooperation. In discussion between the parties alterations and additions may be made to the present agreement.

This agreement come into force upon signing of it by both parties and it will remain during 5 years or effect until cancelled in writing by one or by both institutions with appropriate advance notice.

Upon expiry of the agreement it can be prolonged by mutual decision of both parties.
